The amendment received 9/12/2003 has been entered and claims 1, 6-11, 16-34 are currently pending in this application.

5 In view of the Declaration and arguments presented, the rejections of record of claims 1, 6-11, 16-23 under 35 USC 102(a), claims 24-27 under 35 USC 103(a) over Smith, and the rejection of record under 35 USC 112, second paragraph, are hereby withdrawn.

10 It is noted that trademarked names are improper in claims and in all occurrences, trademarks must be capitalized.

Newly submitted claims 28-34 are directed to an invention that is independent or distinct from the invention originally
15 claimed for the following reasons: Newly submitted claims 28-34 are directed to a composition that is not commensurate in scope with the presently allowable claims and would constitute a distinct invention.

20 Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 28-34 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL.** See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
